

HAMMER

A stylized graphic of a hammer head is integrated into the letter 'M'. The hammer head is composed of two overlapping rectangular shapes: a yellow one in the foreground and a teal one behind it. The yellow shape is positioned to the left, and the teal shape is to the right, with their right edges meeting at a point that forms the central peak of the 'M'. The entire word 'HAMMER' is rendered in a bold, black, sans-serif typeface.
